James Howell today received a letter from Constable Alvord at Pearce, stating that the body of a man had been found near Pearce with a bullet hole through his head. The man had been dead several days before being discovered and the body was badly decomposed. It is thought that the remains might be those of Bill Slanahan, a person of very similar life description, as Slanahan was missing for a week or more. Regarding the appearance of the ground in the vicinity of the body it is evident that a murder was committed.

A Shooting Scrape.

Yesterday forenoon Mat Turner and John Rieden, two employees of Overlock Brothers at their slaughter house, had a few words when Rieden slapped Turner's face. Journey shortly after came to town and purchased a six shooter and going back, he waited for a chance to get a shot at Rieden. He waited until late in the evening, after Rieden had killed the cattle, and when he caught him outside of the house opened fire, firing five shots at Rieden, three of which took effect, one going through the flesh in the back of the neck, another just grazing the stomach, while the third struck the wrist of the left hand, coming out between the second and third fingers. None of the wounds are serious or will lead to fatal results.

Immediately after the shooting Journey left on foot, going from the slaughter house to the railroad track, which he followed, going in the direction of Sonora, where he is now thought to be.

Officers Lewis and Graham were out last evening and owing to the darkness were unable to find his trail. The officers went out again this morning but up to the hour of going to press had not returned.

Journey is a young man about 25 years old, light complexion, short moustache and blue eyes.

Carnival Maid of Honor

The voting for the Maid of Honor contest closed last evening, the vote at the end of the count standing as follows:

Miss Katie Geisenhofer..... 88
Miss Edith Stowe..... 45
Miss Maude Walsh..... 20
Miss Delta Burr..... 5
Miss Louise Howe..... 2
Miss Bebbie Biom..... 1

As will be seen from the above that Miss Geisenhofer was elected and will doubt represent Cochise county at the carnival. While the amount of money derived from the votes will not be sufficient to pay for the maid's gown, it is thought that the balance can be raised by popular subscription.

K. street, or at my residence, the "Brophy Cottage," Howell avenue, back of the Hotel Bonanza.

CHARLES GRANVILLE JOHNSTON,
Attorney at Law.

Those who were on Main street about 8 o'clock last evening were startled by the cry of "fire," and the attention of all was attracted to the show window of the Blewett shoe store, where flames had begun to make headway among the numerous toys and holiday goods displayed there. A bystander seized a couple of heavy quilts in the front of the store and quickly subdued the flames. The fire started from a lighted candle which was in the center of a small merry-go-round, which was driven by the hot air from the candle, and in some way the candle of which it was composed caught fire and was dropped into a pile of dolls, toilet sets, etc., and in a second the whole window was afire. The goods in the window were all destroyed, the loss being about fifty dollars.
